

I am writing to express my horror at the action Sinclair Broadcasting is taking to force their stations to air an anti-Kerry documentary days before the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This partisan action they plan to take is a violation of that law and an outrage.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
